*The 180th (last) day of school for students will be a half day on June 11th, if there are no school cancellations that need to be made up. *School cancellations are required to be "made up" to ensure that students have 180 school days. During years in which we have more than 5 total "snow days," it is difficult to add days the last week in June. **AVC's calendar includes additional ways to make up snow days if 4 or more snow days have been used by early February. **If by February 3rd, AVC has already cancelled 5 days of school, a school day will be made up on Friday 2/21 further shortening Feb vacation. Please note the **icons throughout the calendar to see where make up days may need to be scheduled so that you can plan to adjust your schedule accordingly as the school year unfolds.

*If April 10 is reclaimed as a school day for students, AVC staff will be provided with multiple options for making up this PD Day including online PD, afterschool or weekend PD, or PD shortening Feb vacation.
